SANTORINI

2-3 players

20-30 minutes

Light

A unique 3D game about building towers on the stunning Greek island of Santorini. Very simple and easy to learn, but difficult to master.

In more advanced versions, players also get different “God powers” which make the game even more interesting and replayable.

PATCHWORK

2 players

30-45 minutes

Medium

Compete to build the prettiest (and highest scoring) patchwork quilt. Pay “buttons” for patches of cloth in various shapes and sizes to build your quilts.

But beware, quilts with lots of holes in them at the end of the game probably won't score very well!

Think of it as competitive Tetris.

JAIPUR

2 players

30 minutes

Medium

Play as traders in Jaipur, competing to buy, exchange and sell your goods for the best prices, while keeping an eye on your camel herds.

A fast-paced card game with a blend of tactics, risk-taking, and luck.

7 WONDERS DUEL

2 players

60 minutes

Medium/Heavy

A game about developing your civilisation and completing “Wonders”.

Choose cards that provide resources, or advance your military and scientific development, in order to develop a civilisation.

A 2-player version of 7 Wonders that arguably surpasses the multiplayer version.

2-4 players

45-60 minutes

Medium

A cutthroat game where players seek to evacuate their pieces from an island that is breaking up.

Players can either swim or use boats to travel but must avoid the sea serpents, whales and sharks which are sent their way by their fellow players!

BANANAGRAMS

2-8 players

15 minutes

Light

Like scrabble on steroids!

Using a selection of 144 letter tiles, players work independently to create their own 'crossword' faster than their opponents.

SHERIFF OF NOTTINGHAM

3-5 players

60 minutes

Medium

Play as merchants trying to make as much money as possible by selling goods in the city of Nottingham.

Smuggling illegal goods is the fastest way to get rich. But beware the Sheriff of Nottingham who is always on the lookout for illegal goods!

CITADELS

2-8 players

30-60 minutes

Medium

Players take on new roles each round to represent characters they hire in order to help them acquire gold and erect buildings.

Roles include the Assassin (force other players to skip their turn), Thief (steal gold from other players) and Warlord (destroy other players' buildings).

SLIDE QUEST

 2-4 players

 15-45 minutes

 Light (7+ years)

Work together to guide the brave, rolling knight through a turbulent adventure that is lined with twists and traps! A true test of cooperation, problem solving, and dexterity!

Includes 20 levels of increasing difficulty.

KING OF TOKYO

 3-6 players

 30-45 minutes

A Yahtzee-style dice-rolling game combining equal elements of luck and skill.

TABOO

 2-5 players

 30 minutes
